

Dear friends and neighbors,

This year's Old Home Week theme, "**United in Freedom**," reflects the unprecedented challenges we've all faced during the past 18 months, and is a reminder of all we have to be thankful for as we emerge from the global pandemic and return to some semblance of a "new normal."

Planning an Old Home Week is tricky even in the best of times. Trying to plan one in the midst of a global health pandemic is no small feat, either. We were guided in our planning for the 122ND Old Home Week by a commitment to celebrate our community and beautiful town, while ensuring safety and wellbeing of all who would attend the events.

The resulting program reflects these considerations – and while it's not as elaborate as in prior years, we believe it still captures many of the very special aspects of Freedom and all who live, work, and vacation in our Town.

We hope to see you at this year's Old Home Week events!
